SAJC Investigation Taskforce

Commissioner for Corporate Affairs, Anne Gale, reports that investigations arising from the SAJC inquiry report are continuing.

The SAJC investigation Taskforce is comprised of detectives from Major Fraud Investigation Section and investigators from the Office of Consumer and Business Affairs under the guidance of Officer In Charge Major Fraud Investigation Section.

The public interest in this investigation is recognised and the investigation is progressing as promptly as possible. However, investigations are likely to continue for at least the next six months and it is not possible to speculate what the outcomes of the investigation may be.

The Taskforce is led by the Commissioner for Corporate Affairs and further media enquiries should be directed to the Commissioner's office.
